BLENDS

STRAINS SPRAINS BUMPS BRUISES

In addition to "RICE" (rest, ice, compression, elevation) treatment will speed healing and reduce the pain of these minor injuries.

Before wrapping the injured area, apply a blend of 2 tsp carrier oil,

- 4 drops of lavender oil
- 1 drop each of chamomile and rosemary oils.

Rub over the painful area, and repeat two to three times a day until the injury has healed.

COLD SORES

Put **1 drop of tea tree oil** on a cotton swab or cotton ball and apply it to the sore as soon as you feel the first tingling that indicates you're getting one.

Repeat twice a day until the sore is gone.

COLD SYMPTOMS

Two drops of lavender oil and **one drop of chamomile** oil in a bowl full of cool water. Stir to break up the droplets. Then apply the liquid topically using a sponge.

Drink plenty of liquids, and rest as much as possible. If you're achy and feverish;

FLU SYMPTOMS

As for colds, use

2 teaspoons of carrier oil,

3 drops of **eucalyptus**,

2 drops of **peppermint**, and

2 drops each of **rosemary**

2 drops each of **lavender**.

EARACHE

General earaches: Warm a teaspoon of olive oil to barely above body temperature (test as you would a baby's bottle).

- 1 drop each of lavender
- 1 drop each of chamomile

Blend well and then wet a cotton wool ball with this mixture and use it to plug the outer ear canal (be very careful not to insert it too far)

MIGRAINES

3 drops of lavender

1 drop of peppermint oil.

1 drop carrier oil of your choice.

Combine and then massage your temples and around the base of your neck along the hairline.

TENSION HEADACHE

Mix **3 drops of lavender** oil and **1 drop of chamomile** oil. Use one drop of this blend, combined with 1 drop of carrier oil, to massage your temples and around the base of your neck along the hairline.

Massage the area behind and under the ear and across the cheekbone with a blend of 1 teaspoon olive oil, 3 drops of chamomile oil, and 1 drop each of lavender and tea tree essential oils. After massaging the area, applying a warm compress will help ease the pain.

NAUSEA

Massage 1 drop of above blend, combined with 1 drop of carrier oil, over your stomach. Wet a washcloth with cool water, wring out, and use as a compress over your eyes and forehead. Lying flat can increase the pressure and make the pain worse, so prop yourself up with pillows if you lie down.
